Phonics, English, Maths and Topic.

Suggested activities.

Reading daily.

Dates for your diary.

INSET – 14th February 2020

Half Term – 17th February – 21st February

Learning review meetings – 12th and 13th February

Science

EYFS

Make observations of animals and plants and explain why some things occur, and talk about changes.

Year 1

Identify and name a variety of common wild and garden plants. Identify and describe the basic structure of a variety of common flowering plants, including trees.

Year 2

Observe and describe how seeds and bulbs grow into mature plants. Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

English

• To look at the vocabulary in the text.
• To explore the structure of the story.
• To retell the story in our writing and through actions.
• To write our own super vegetable story.

Maths

• Time and position
• Money
• Addition and subtraction
• Numbers and place value

Religious Studies

• Chinese New Year (25th January)
• St Valentine’s Day (14th February)
• How do Jewish families celebrate shabbat?
• What do we celebrate?
