

**At Clymping, Yapton and Ford...
*But not as you know it!***

We are producing Messy Church videos - a mix of songs, video shorts,
Craft activities and more – for your family to enjoy.
Our first will be a **HARVEST messy church**.

If you'd like to be on our email list to receive the YouTube link and
More details as they come out then send your email request to Rev Richard.

The videos will also be available on our website:
