

Calling all explorers in Year 3 and Year 4!

I am just one of the animals that you can find if you visit the rainforest. There are lots of fun things to see and do in this incredible habitat.

I have heard that you are all brilliant at investigating and exploring new things, so I thought I would send you a challenge.....

Below are some pictures of things you might find in my rainforest. Can you see what you can find out about them? What do you think they are? What information can you find out about rainforests?

You can choose how you would like to present what you find. It could be a letter, a fact page, a booklet, a PowerPoint, a model or an idea you have of your own! Try to make your work bright and colourful using pictures that you have drawn and photos.

I can't wait to see your work after the Easter Holidays

Squawk
