THE UNIQUE YAPTON JOURNEY

Yapton Church of England Primary School is a happy and exciting place to learn. Individuals are at the heart of our teaching. The experiences we offer our children are designed to ensure that they are engaging, enriching and empowering. We work and play together as a school family, holding on to the power of the Christian story in our daily lives.

This booklet provides an outline of the planned curriculum enrichment opportunities which make up our Unique Learning Journey your child will experience whilst they are here at Yapton C. of E. Primary School.

At Yapton C. of E. Primary School our vision for our learning community is

At Yapton C. of E. Primary School we believe that our children should have a curriculum that empowers them to be able to 'live life in all its fullness'.

Our curriculum intent is to enable our children:

- to have a secure understanding of themselves and their place in our world today;
- to be involved in planning their learning journey;
 - to be aspirational in all that they do;
 - to be reflective;
- to engage in purposeful real experiences;
 - to be kind;
- to understand and celebrate the uniqueness of individuals.
