

## World Maths Day

On Friday 22<sup>nd</sup> March 2024, Yapton C of E Primary School will embark on a Multiplication Mission!

We will be rocking and rolling with the TT Rock Stars and we will learn lots of new multiplication chants to perform!

Each class will have their own Multiplication Mission to complete and will spend the day exploring their given times table and learning their Times Table Rock Chant.

The day will be full of games, challenges, active maths and lots of fun!

At the end of our exciting maths filled day, each class will perform their Rocking and Rolling number chant to the rest of the school in our "Rock and Roll Off"

*Children in Years 1-6 are invited to come dressed as their favourite rock or pop star for the day.*

Our youngest children in Early Years, will enjoy a maths themed Forest School Day in the woods- and should come dressed for Forest School as normal.
