

Yapton C. of E. Primary School

I have come in order that you might have life – life in all its fullness.

John 10:10

COMMUNITY

As we come back together as a whole school community and begin to build our new class communities in September. Our first week back will focus on our school value of Community. We will be celebrating all the things that makes each of us unique and individual.

On **Tuesday 3rd September**, we would like every child to bring a pebble or shell that they have painted or coloured in their favourite colour or combination of colours.

These pebbles will represent you and will become a visual reminder of our class communities.

Over the last weekend of the holidays or on the Monday Inset day, we would like to invite all of our families to come to school and tie a coloured ribbon or streamer onto the school perimeter fence. This will make a colourful welcome display for everyone on our first day back!

Thank You!
