*I have come in order that you might have life – life in all its fullness.*

*John 10:10*

Dear God

As we come together to remember the service men and women who fought for us during wars and conflicts, we also remember the valuable role that Guides and Scouts played - both on the home front and abroad during World War 2.

Thank you for keeping them safe as they performed first aid, handed gas masks, raised money to provide ambulances and spitfires, kept up morale in shelters, carried important messages and even helped in concentration camps at the end of the war.

We thank you that they all worked so bravely for us to have our freedom.

Amen
