Splashing about

Our hydrotherapy pool is a safe space for everyone to enjoy, with warm water and hoists in the pool and changing areas.

We all love splashing about in the pool together. It's one of the few times when all four of us can be together as a family, all enjoying the same thing.

Over £5 million is needed every year to provide hospice care for local children.

Only 17% of this comes from government funding. The rest – around £10,000 per day – comes from donations and fundraising.
