

On Monday 6th January, Key Stage 1 will travel back in time to the dim and distant past!

We will be traveling to a time when houses were made from wood and straw. There was no running water and the fire brigade hadn't even been invented!

We would like you to learn the nursery rhyme - *London's Burning* off by heart. You could even add your own actions too if you like!

We will sing this together and share our actions when we come back to school.

***London's burning, London's burning!***

***Fetch the engines, fetch the engines!***

***Fire, Fire! Fire, Fire!***

***Pour on water, pour on water!***
