

Building A Better World

In the first half of the Spring Term, Year 3 and 4 will be learning about the different oceans, their locations and the impact that pollution is having!

During our hook day, we will be organising a protest to ensure the whole school community is made aware of this pressing issue!

On Friday 20th December, the children will bring home an invitation. They will need to keep this safe and bring it with them when they return to school in January!
