

Tuesday 3rd June - Hook Day

I'M A YEAR 3 / 4 CHILD
GET ME OUT OF HERE!

During our hook day, we will be exploring states of matter. We will begin our day with an ice block challenge and make our own jelly pieces. At the end of the day, we are going to take part in our very own Bushtucker Yapton Trial. Can you identify if it's a liquid, a solid or both?! There might be some SQUELCHING!

What is it inside the box?
