

ANCIENT WONDERS

Dear Year 5 & 6,

Prepare to step back in time, to a place where warriors ruled and mythical creatures lurked.

On Tuesday 3rd June, you are invited to come and explore this mythical and mighty period of history for yourself. We will be making our own hoplite style shields and learning how these were used to protect the ancient warriors during fierce battles! We'll explore the art of storytelling through pottery and even learn a new alphabet!

Please come to school on Tuesday 3rd June, wearing suitable Ancient Greek attire (see next page for costume suggestions).

The Year 5 & 6 Team

Ancient Greek Costume Ideas

A plain white T-Shirt, with a plaited string belt, or a plain sheet draped over shoulders would be perfect, please do not go to the expense of buying a costume. Please remember that we will still be going outside for playtimes and lunchtime, so suitable footwear and extra layers will be needed.
