An Open Door to Learning

Dear Parents,

We are writing to inform you about an exciting opportunity for our children in year 3 and year 4. We have arranged a school trip to the Arundel Wetland Centre on Thursday 17<sup>th</sup> July which aims to enrich our understanding of rivers, the water cycle, and the changing habitats in our local environment.

The visit to the Arundel Wetland Centre is an ideal complement to our current curriculum, allowing students to explore and observe various ecosystems first-hand.

The centre offers a range of interactive activities and educational sessions led by experienced staff, which will enhance our students' knowledge and appreciation of the vital role wetland habitats play in our ecosystem. All children will take part in the 3 workshops: Wonderful Wetlands, Climate Change Champions and Environmental Changes in the Fresh Water Ecosystems.

To ensure the safety and well-being of all students during this trip, we ask that you provide your child with appropriate clothing for outdoor activities, including their school jumper, suitable footwear, waterproof jackets and, if necessary, sun protection.

You are invited to make a voluntary contribution of **£14.20** to cover the cost of transport and entrance fee. Although the contribution is voluntary, we do need to point out that it is probable that the visit will not take place unless all parents, who are able, are willing to contribute.

In order to reduce the cost as much as possible, we have organised a single coach to run a shuttle service. Please complete permission form on Parent Mail by Friday 11<sup>th</sup> July.

Should you have any concerns, do not hesitate to reach out to us, as we are committed to ensuring all students can participate.

Yours sincerely,

Year 3 and 4 team.
