

SPECIAL DELIVERY

Calling all Key Stage II!

Special deliveries are awaiting you next half term!

Please could you write us a postcard or letter about a place you have visited or an activity you have done during half term.

You could even pack us a parcel, full of things you have seen or found there.

The place doesn't have to be far away, it could be the local beach or park, your back garden, or even your bedroom!

Bring your 'special delivery' with you to school on Tuesday 4th November and you can 'post' it in your classroom post box.
