

Robots, Robots Everywhere!

Dear Year 3 & 4,

Mrs. Cummings, Mr. Kelly and Mr. Coyle need your help!

Next half term, we will be on a mission to find out everything there is to know about ROBOTS!

These mechanical creations are clever, and they hide in plain sight!

Your mission over half term is to seek out as many robots as you can, that are living in your home, right under your nose!

Be careful not to let them know that you have discovered their secret hiding place- this will need to be an undercover mission!

Write a list, draw a picture or even take some photographs of any robots you discover living and working in the human world.

Please bring your top-secret findings to school on Tuesday 4th November.

Good Luck!
