

Tuesday 4th November - Hook Day

During our hook day, we will be exploring what life was like as a Victorian child.

Are you ready for a morning at Victorian school? Mathematics, writing and recitals are all on the timetable!

After a hard day at school, there is nothing nicer than relaxing with a lovely bit of cake. As a class, can you create a delicious Victoria Sponge?

Have you ever wondered what Victorian children did during their free time? There was no Netflix back then!

To help prepare for your day at Victorian school, we are asking you to bring in a piece of white chalk so you can write your sentences and solve your sums!

Do not worry if you cannot get hold of any, the school will provide some for you!
