

Monday 5th January 2026

Year 5 / 6 Hook Day

When we return in January, we will be beginning
our next learning journey -

To Infinity and Beyond!

We will begin our day by exploring Peter Thorpe's famous space inspired artworks! Look at how atmospheric some of this artwork is!

In the afternoon, we will work in groups
to design and build our own rockets!
Which group will be able to land their
rocket on the target?

Which group will be able to travel the
furthest?

Please collect empty plastic bottles
and corks over the Christmas
holidays and bring them in on your
Hook Day!
