

SUN, MOON & STARS

Calling all Key Stage II!

Your mission, should you choose to accept it, is to travel to the farthest depths of the universe.

Where you will explore the sun, moon, and stars!!

Mission Date: Tuesday 23rd February 2025

Launch Time: Rockets departing at 09:00 hours!

Location: Mission HQ All astronauts are invited to bring their Moon Passports with them, to gain access to the space craft. Your Mission Controller has given you a Moon Passport to complete at home over half term.
