

# SAVE OUR RAINFORESTS!

Next half term we will be learning all about South America. We will be focusing on rainforests, including why they are an important part of our world and why we should look after them.

Rainforests are thick forest habitats that are found in warm and wet parts of the world.

Over the Easter holidays, we would like you to create a poster or sign that tells people that we need to look after rainforests. You may wish to do some extra research about rainforests and where they can be found.

Please could you also bring in an old shoe box/  
delivery box that we can use on our

Rainforest Craft Hook Day
